Living and Respite Care

Please give us a call or
come by for a visit. We
know you will like what you
see and welcome the
opportunity to make our
facility a trusted home for
you or a loved ones.

At Fountain Assisted Living
Center, we believe in
affordable, competent, and
compassionate assisted living
for our aging loved ones.

We offer a safe home
environment that allows our
residents to live with dignity,
comfort, and as much
independence as possible-
while providing around the
clock supervision by
professional caregivers.

In addition to elder care, we
also accept residents with
diverse special needs for both
short and long term stays.

We have spacious floor plans,
cozy fireplace, and a fenced
attractively landscaped
backyard.
